Accessories and Replacement Parts

Luna TravelPAP Accessories

Storage Options

Luna TravelPAP Carrying Case Item LTC30

Stylish and compact, the Luna TravelPAP Carrying Case is a great option to carry your device. With multiple internal compartments as well as an internal/external zippered pocket, there is plenty of room for your charger(s), mask and tubing and important travel documents. The Carrying Case also features a shoulder strap for comfort as well as an integrated sleeve that will slip over the handle of most luggage!

Tubing

Breathing Tube BT15MM

Your Luna TravelPAP comes with a 15mm breathing tube. Your Luna TravelPAP is compatible with any 15mm or 19mm breathing tube.

Power Options

Luna 12V DC Adapter LTPDC

The 12V DC Charger is a great option for powering up your Luna TravelPAP while in your car, truck or RV!

Luna AC Adapter LPT200

Your Luna TravelPAP comes with an AC Power Adapter. Need an extra adapter for your suitcase or for another room? This is a great option for replacing or adding another adapter for your Luna TravelPAP.

Filters & Filter Caps

Luna TravelPAP Air Filter LT1020

The Luna TravelPAP has a Disposable, non washable filter. This filter is expected to last 6 months under normal conditions. This package includes 2 filters.

Luna TravelPAP Replacement Filter Cap PRTLT01

Should you misplace or break your filter cap, you can use this part number to order a replacement.
