

Ascend™ Nasal

replaceable AIR°gel® cushion masks

featuring Advanced Cushion Technology

Rise to a higher level of comfort and convenience with The Ascend nasal mask: our first-ever nasal mask featuring a replaceable cushion. Our patented AIR°gel replaceable cushion is easily detached and reattached for easy cleaning and cushion replacement, saving both time and money.

Ascend to a Higher Level of Comfort and Convenience

Flexible Spacebar™

Unique bendable design provides superior stability, holding a seal without contacting the skin

Replaceable Cushion

Now you can replace the cushion without having to replace the whole mask. Available in three sizes.

S M L

AIR°gel

Maximum comfort, minimum weight. Our patented AIR°gel minimizes pressure points and skin irritation.

Advanced Cushion Technology™ (A.C.T.)

Our ergonomic cushion technology delivers an effective seal for the most comfortable fit.

Quick-Release Headgear

Lightweight, breathable headgear slides off easily with one hand.

360° Rotating Elbow

For optimal tube positioning and easier mobility

Active Headgear Connector™

Moves as the patient moves for a reliable seal.

Made in the USA of US and imported parts

What makes our Ascend Nasal Mask different?

- Our easy-to-use replaceable cushion allows you to extend the life of your mask.
- *Flexible Spacebar* is designed to provide superior stability without contacting the skin.
- *Active Headgear Connector* moves when the patient moves to help maintain an effective seal.
- Available in three sizes with simple and breathable quick-release EZFit headgear.

Advanced Cushion Technology (A.C.T.)

Our patented AIR°gel with an ergonomic design and luxurious feel reduces pressure while maintaining an effective seal.

Easy-to-Replace Cushion

Disassembly: Just squeeze the sides of the cushion in to release and snap in to replace.

Assembly: Place the top alignment pin in the notch and push the bottom ones in until the pins fit securely.
